

Trinity Health EpicCare LINK is a secure web-based portal connecting you to information stored in Saint Joseph Health System's electronic health record system related to your referred or admitted patients.

You'll receive automatic notifications when there is an update on your patient. Giving you the information you need to plan your patient's follow up and continuing care plans.

Our Mission

We, Trinity Health, serve together
in the spirit of the Gospel
as a compassionate and transforming
healing presence within our communities.
